EMERGENCY CONTACTS

I agree to provide two emergency contacts, who will only be contacted if there is concern for my safety and well-being. I recognize that this is due to the possible health risks listed above involved in participating in events where trauma is a focus. I understand that my emergency contact information will be kept confidential by the Schlote Psychotherapy Professional Corporation and its representatives.

BIPOC SCHOLARSHIPS

EQUUSOMA® is committed to anti-racist and anti-oppressive practice, and supports interspecies social justice as part of a trauma-informed perspective. As a result, EQUUSOMA® is issuing two full scholarships per cohort for eligible students who identify as Black, Indigenous, or as another person of colour who faces inequities as a result of racialized trauma. One scholarship will be allocated to an Indigenous student, and another will be allocated to another person of colour facing marginalization or racial disparities. To apply, please submit a short essay (500 to 1,500 words) outlining your background, your professional goals, and how you intend to apply EQUUSOMA® within your scope of practice. We want to ensure that we are being mindful of how we are applying the scholarships in light of recent highly publicized cases involving misidentification and misrepresentation of ancestry. Given our desire to be respectful of this sensitive issue, please provide us with any details or clarification that supports your application in your essay.

The deadline to apply for a scholarship is February 14, 2022. Two full scholarship winners will be selected. Eligible participants who are not awarded a scholarship may be eligible for a reduced registration fee at the discretion of the Schlote Psychotherapy Professional Corporation.

PAIRS AND GROUP DISCOUNTS

If registering as a team of 2 people (offering services together in a co-facilitation model), each student obtains a 10% savings. If registering 3 or more people from your organization, please contact us to discuss a group discount. Due to PayPal settings, please do not pay for multiple tuitions in one payment (such as paying for two people or to attend two modules in one transaction). Please pay for each tuition separately.

Online Training Details and Payment Options

The webinar trainings are recorded so students who are unable to attend live each day can watch the videos on their own time. The trainings involve experiential components in breakout rooms on Zoom, which are not possible to record. Students will need to make up training or break out discussions / practice rounds if there are technical difficulties beyond our control (internet, power, or Zoom service outage) that require adjusting the dates of the training. Students who cannot attend live will also need to make up the breakout room experiential components in order to fully benefit from the training, at the student's own expense (this may require hiring a faculty member or assistant to make up the time, at their hourly rate). The training and make up options may take place in a time zone that may be inconvenient. The training cannot be completed by simply watching the lecture videos, and **certificates of attendance are not issued until the experiential make up components are completed.**

There may also be changes in training structure and completion requirements that occur as a result of the model evolving or due to adapting to extenuating circumstances, like global pandemics. Every effort will be made to support students through these adjustments to program completion. We appreciate everyone's patience and grace as we adjust to unforeseen realities.

Canadian students are subject to the provincial or territorial tax where they are located. **For students located outside of Canada, no tax applies.** For credit card and PayPal payments, a 4% handling fee (listed as "shipping fee" on PayPal) will be added. International bank transfers may have an additional fee as well.

Please check which module(s) you are registering for. Modules must be completed in the order listed below.

Payment and Cancellation Policy

Payment is required to hold your spot in the training. It is possible to pay in two instalments of 50% each, provided that the entire registration fee is received in full by the first day of the training. You are eligible for a 100% refund if cancelling more than 60 days from the first day of the training, and a 50% refund if cancelling between 30-59 days from the first day of the training (a \$100 administrative fee is applied to process refunds). Regretfully, **no refunds are possible** for cancellations that occur within 30 days of the first day of the training. If you are unable to attend, these options are available on compassionate grounds:

- **Transfer credits:** You may transfer your spot to someone else to take the training you registered for. You would be responsible for finding your replacement and obtaining full reimbursement from this person. Alternately, if you would like us to fill your spot on your behalf, we will refund you 80% of your registration fee (minus the \$100 admin fee) if we are successful.
- **Banking credits:** We can "bank" your registration fee and apply it toward the cost of a future training occurring within 2 years from the training you paid to attend.

If for whatever reason the trainer needs to cancel the training, you will receive a full refund of your registration fee or deposit (or a pro-rated refund if the program has started and must be cancelled due to extenuating circumstances). The Schlote Psychotherapy Professional Corporation is not liable or responsible for any fees or lost wages incurred as a result of having to reserve time to attend the training should it be cancelled.
