Level 1 Requirements			Level 2 Requirements		
4 assignment consultations (4 hours): With any EQUUSOMA® faculty member or mentee (or any EQUUSOMA®-approved assignment consultation provider, when available in future). Consultations are to support completion of your assignment: either a 2-day workshop or clinic integrating EQUUSOMA®, or a case conceptualization and service/treatment plan for a human, an equine, or a human-equine pair. See assignment instructions in the Student Policy Manual (October 2022).			2 assignment consultations (2 hours) With any EQUUSOMA® faculty member or mentee (or any EQUUSOMA®-approved assignment consultation provider, when available in future).		1 final assignment review (1 hour) With a different EQUUSOMA® faculty member or mentee than the one who did your assignment consultations.

See the Student Policy Manual (October 2022) for more details. A summary can be found at: <https://equusoma.com/students/approved-credit-hours>.

Students may complete more than the required number based on their needs.
