

1

Level One

Level 1 is entirely **ONLINE**. The Theory Modules must be completed before attending the live Practice Modules in real time in the order indicated. The Bonus Features can be attended live or by watching the recordings.

BONUS FEATURES: *Live Q&A once a month. **Live Q&A + Demonstration once a month

CERTIFICATE TRACK REQUIREMENTS

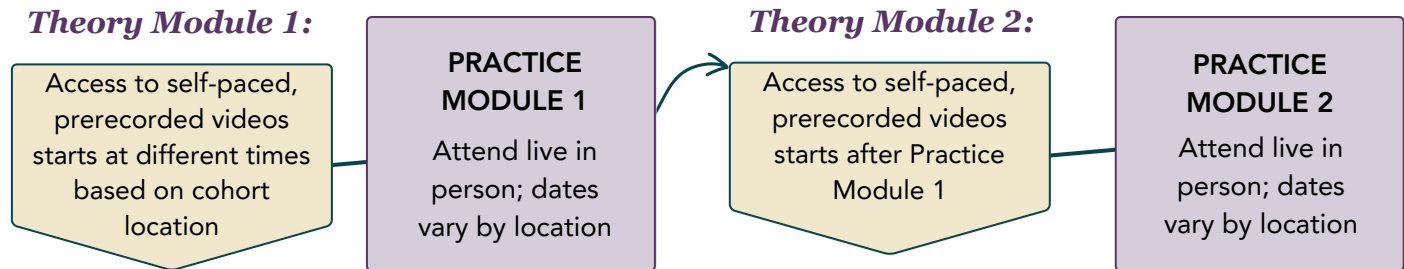

We recommend that you space your required hours throughout the course of Level 1 to receive maximum benefit as opposed to waiting until the end of each level. Case consults should be completed prior to beginning the assignment draft and consults.

LEVEL 1 CERTIFICATE OF COMPLETION

2

Level Two

Level 2 is a mix of **ONLINE** and **IN PERSON**. The Theory Modules must be completed before attending the live in-person Practice Modules in the order indicated. The Practice Modules are currently offered at farms in Canada, the US, France, and Australia. Students must attend both Practice Modules at the same location.

CERTIFICATE TRACK REQUIREMENTS

We recommend that you space your required hours throughout the course of Level 2 to receive maximum benefit as opposed to waiting until the end of each level. Case consults should be completed prior to beginning the assignment draft and consults.

LEVEL 2 CERTIFICATE OF COMPLETION
